

Summary

Now that you have completed the lessons for this module, you should be able to:

- Identify the techniques available to the Life Cycle Logistician (LCL) in cost estimating for logistics funding requirements.
- Recognize the PPBE process as the source of financial resources for the LCL and the importance of PPBE in every phase of a project life cycle.
- Describe the Planning Phase of the PPBE process.
- Describe the Programming Phase of the PPBE process.
- Describe the Budgeting Phase of the PPBE process.
- Identify the kinds of PPBE issues an LCL may face with regards to budget funding

Module Completion

You have completed the content for this lesson.

At this point you should have completed all of the lessons in this module.

Please take the Module Exam so you may receive credit for this course.

If you have closed or hidden the Table of Contents, click the Show TOC button at the top in the Atlas navigation bar.
